The *Miller® MC02-7010* Duct Cutter is designed to make clean, square, and burr-free cuts in plastic fiber ducts up to 64 mm diameter. This duct cutter is ideal for cutting PVC, CPVC, HDPE, and other non-metallic ducts and tubing.

Features and Specifications

- Duct size range: up to 64mm (2.52") diameter
- Ratcheting design provides high amount of leverage to facilitate cutting with minimal effort
- Comfortable one-handed operation with easy open spring release
- Triangular blade provides square and straight cuts by holding the duct or tubing in place
- Blade material: hardened tool steel, heat treated and Teflon® plated
- Body material: Die cast aluminum alloy
- **Glovable™** EASY USE WITH GLOVES
- Length: 10.0" / 254mm
- Weight: 19.0 oz

Operation

- Operating the tool with gloves is recommended
- Cradle the duct in the lower jaw
- Ratchet the lower handle to advance the cutting blade to cut the duct
- Open the lower handle fully to release the ratchet and re-set the blade to full open
- Replacement Blade MC02-7510

WARRANTY: RIPLEY warrants its products against defective materials and workmanship for a period of two years from date of shipment from the RIPLEY factory provided the product is utilized in accordance with instructions and specified ratings.
