

CC02 Series

Industrial Wire Cutters

Features

- Precise, induction hardened high carbon steel blades ensure clean cuts without flattening, fanning or splaying the wire
- Ergonomic, spring-loaded design provides greater leverage for easy operation & reduces hand fatigue
- Durable, lightweight construction with padded high-visibility red handles for comfort
- Thumb lock allows for one-handed operation & keeps the blades closed during storage for additional blade safety & protection

Compatibility

MODEL	PART #	CUTTING LENGTH	MATERIAL	MAX. DIAMETER
CC02	CC02-7000	0.197" (5.0 mm)	Fiberglass Strength Members	0.197" (5.0 mm)
			Stranded Copper	
			Wire Rope	
			Stainless Steel Nylon-Coated Cable	
			Galvanized Nylon-Coated Cable	
			Insulated Wire Rope	
			Coated Aircraft Cable	0.157" (4.0 mm)
			Steel Wire Rope	
			Solid Copper	
			Solid Steel Wire	0.079" (2.0 mm)

Ergonomic tool body is designed for comfort & easy operation.

Spring-loaded handles aid in cutting materials up to 5 mm in diameter.

High quality blade provides precise cuts without wire distortion.

Convenient thumb lock easily closes the tool for safety & protection.

Make Cable Preparation Easier

With Additional Ripley® Products

DDT

Dual Drop Cable Trimmers

- Combination tool allows cable preparation of 59, 6, N48 & 11 coax cable (std, tri and quad) without need to change out blade cassette
- One step preparation exposes center conductor by 5/16" & removes 1/4" length of jacket
- Built-in polymer braid brush & strip stop

LDT & LDT Mini

Lightweight Drop Cable Trimmers

- Lightweight and compact design prepares 59, 6 & N48 cable without adjustment or blade cassette changeout
- One step preparation exposes center conductor by 5/16" & removes 1/4" length of jacket
- Built-in polymer braid brush & strip stop

UDT

Universal Drop Cable Trimmer

- Prepares 59, 6, N48, 7 & 11 drop cable (std, tri & quad) per SCTE & Bellcore specifications
- One step preparation exposes center conductor & removes the jacket
- Built-in strip stop & cassette storage compartment
- Interchangeable and color-coded blade cassettes

CCS-22

Cable Cutter

- Designed to cut through copper-cladded steel conductors
- Ideal for cutting 59, 6, 7 & 11 series coax cables, as well as N48, 5C & 9 coax cables
- Compatible with cables up to 0.4" (10.16 mm) O.D.
